PROFESSIONAL SUMMARY

Passionate MERN Stack Developer with hands-on experience building and deploying full-stack web applications using React.js, Node.js, Express.js, MongoDB, and MySQL. Developed 5+ real-world projects including an E-Commerce Platform, Student Management System, and Cricket Score Tracker. Skilled in REST API development, JWT authentication, React Hooks, and responsive web design. Passionate about solving problems, learning new technologies, and contributing to software development teams as a Junior Full Stack Developer.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Responsive Web Design
Backend: Node.js, Express.js, RESTful APIs, JWT Authentication
Database: MySQL, MongoDB
Tools: Git, GitHub, VS Code, Vercel, Render
Concept: CRUD Operations, API Integration, State Management, Responsive Design, Authentication & Authorization

PROJECTS

Full Stack E-Commerce Website | *React.js, Node.js, Express.js, MySQL*

- Developed a full-stack e-commerce platform with user authentication using JWT and secure login/logout functionality.
- Implemented role-based access control for admin and customers with separate dashboards and permissions.
- Built core e-commerce features including shopping cart, wishlist, and order management with dynamic state updates using React hooks.
- Designed and deployed a fully responsive UI optimized for mobile, tablet, and desktop devices to ensure smooth user experience.

Live Demo: <https://ecommerce-website-xcr5.vercel.app>

Student Record Management System | *React.js, Node.js, Express.js, MySQL*

- Built a full-stack Student Management System capable of handling 500+ student records with efficient CRUD operations and optimized data flow.
- Designed and implemented 6 RESTful API endpoints for student data management including create, read, update, delete operations with proper validation.
- Integrated React frontend with Node.js backend using Axios for seamless API communication with error handling and loading states.
- Ensured responsive UI design for smooth performance across mobile, tablet, and desktop devices.

Live Demo: <https://student-record-management-system-kd.vercel.app>

Real-Time Cricket Score Tracker | *React.js hooks(useState, useEffect)*

- Developed a real-time cricket scoring application using React.js with dynamic state management via useState and useEffect hooks.
- Implemented live tracking of runs, wickets, overs, and match results with automatic updates on each ball without page refresh.
- Built interactive UI components to simulate real match scoring flow, improving user engagement and responsiveness.
- Designed a fully responsive front-end interface ensuring smooth performance across mobile, tablet, and desktop devices.

Live Demo: <https://cricket-score-card-pwcu.vercel.app/>

Mini E-Commerce Website | *HTML, CSS, JavaScript*

- Developed a responsive product listing website displaying 20+ products using card-based UI design with clean layout structure.
- Implemented interactive UI features such as hover effects, CSS animations, and dynamic styling to enhance user experience.
- Built a mobile-first responsive design ensuring consistent performance across mobile, tablet, and desktop screen sizes.
- Organized static product data and structured UI components using semantic HTML and modular CSS for better maintainability.

Live Demo: <https://manickam7.github.io/Mini-Ecommerce/>

Personal Portfolio Website | *React.js(HTML,CSS,JavaScript)*

- Designed and developed a personal portfolio website using React.js to showcase 5+ projects with a modern and clean UI.
- Implemented responsive layout and reusable React components to ensure smooth performance across mobile, tablet, and desktop devices.
- Created smooth navigation and interactive sections to enhance user experience and present technical skills effectively.

EDUCATION

- BSc Computer Science
H.H. The Rajahs College, Pudukkottai
2023 – 2026 Graduated
CGPA: 75%

CERTIFICATIONS

- MERN Stack Developer Certificate -Completed Jan 2026 in UK Info Tech
- Typewriting Certificate - Completed Apr2025

ADDITIONAL INFORMATION

Languages: Tamil (Native), English (Professional Working Proficiency)

Soft Skills: Problem-Solving, Debugging, Team Collaboration, Effective Communication, Quick Learner
